

Lakey Lane Primary School - Evidencing the Impact of Primary PE and Sport Premium

Vision for the Primary PE and Sport Premium

ALL pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport

The funding has been provided to ensure impact against the following **OBJECTIVE**:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (*above*) that will live on well beyond the Primary PE and Sport Premium funding.

It is expected that schools will see an improvement against the following 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

Under the [Ofsted Schools Inspection Framework 2015](#), inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively [governors](#) hold them to account for this. Schools are required to [publish details](#) of how they spend this funding and the effect it has had on pupils' PE and sport participation and attainment.

SECTION 1A – EVALUATION OF IMPACT/LEARNING TO DATE

Guidance on the primary PE and sport premium can be found at gov.uk.
Annex 1 – Primary PE and Sport premium – Online reporting template

Name of school: Lakey Lane Primary School

Academic year: 2018-19

In previous years, have you completed a self-review of PE, physical activity and school sport?	Yes
Have you completed a PE, physical activity and sport action plan/ plan for the Primary PE and Sport Premium spend?	Yes
Is PE, physical activity and sport, reflective of your school development plan?	Yes
Are your PE and sport premium spend and priorities included on your school website?	Yes

SECTION 1B – SWIMMING AND WATER SAFETY self rescue focus.

Swimming is an important skill and can encourage a healthy and active lifestyle. All Local Authority schools must provide swimming instruction either in key stage 1 or key stage 2. The [programme of study for PE](#) sets out the expectation that pupils should be taught to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]
- perform safe self-rescue in different water-based situations.

Swimming and Water Safety	Please fill out all of the below:
• What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	47%
• What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	28%
• What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	16 %
• Schools can choose to use the primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No

SECTION 2 – REFLECTION: WHAT HAVE WE ACHIEVED AND WHERE NEXT? 2017/18

	What evidence is there of impact on your objectives?	Does this impact reflect value for money in terms of the budget allocated?
<p>Vision: ALL pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.</p> <p>Objective: To achieve self-sustaining improvement in the quality of PE and sport in primary schools against 5 key indicators:</p> <ol style="list-style-type: none"> 1. the engagement of <u>all</u> pupils in regular physical activity – kick-starting healthy active lifestyles 2. the profile of PE and sport being raised across the school as a tool for whole school improvement 3. increased confidence, knowledge and skills of all staff in teaching PE and sport 4. broader experience of a range of sports and activities offered to all pupils 5. increased participation in competitive sport 		
<p>Buying into the Bishop Challenor School Sports Partnership.</p>	<p>This has impacted against the following key indicators:</p> <ol style="list-style-type: none"> 1 Training of play leaders to ensure that a range of activities is available to the children every day at lunchtime. IMPACT- high levels of activity + reduced incidents of poor behaviour 2 Regular visits and assemblies from Bishop Challenor staff to maintain the high profile of PE and sports within the healthy lifestyle agenda. IMPACT- children are aware of issues such as obesity and what they can do to maintain a healthy lifestyle. 3. Provision of modelled teaching, shared planned and team teaching opportunities for all teachers working alongside PE specialists from Bishop Challenor. This, alongside staff meeting training, has up-skilled all teachers making them more effective and confident PE teachers. IMPACT- monitoring of PE both from our staff and visitors, including Ofsted, have graded PE lessons as at least good. 4 Children given the opportunities to take part in a wide range of different clubs- in and out of school- including 6-week “taster” clubs. 5 Bishop Challenor put on a wide range of inter school competitions. In addition we have looked to expand intra school competition. 	<p>YES</p>

Through school council, children report enjoying the range of activities on offer and 90% of children report engaging in them daily. Dinner ladies also report very low numbers of children who are not engaging in some type of physical activity.	Through Bishop Challenor sports package we have regular training opportunities for young leaders and LT supervisors ensuring that this is “kept fresh” and sustained over time.

2. the profile of PE and sport being raised across the school as a tool for whole school improvement	Children are aware of range of PE and sports activities that they can become involved in, both in school and out of school. They see this within the wider “healthy lifestyle” context.	“Sit less, move more” special day in June 2017. Assemblies from school staff and Bishop Challenor staff.
